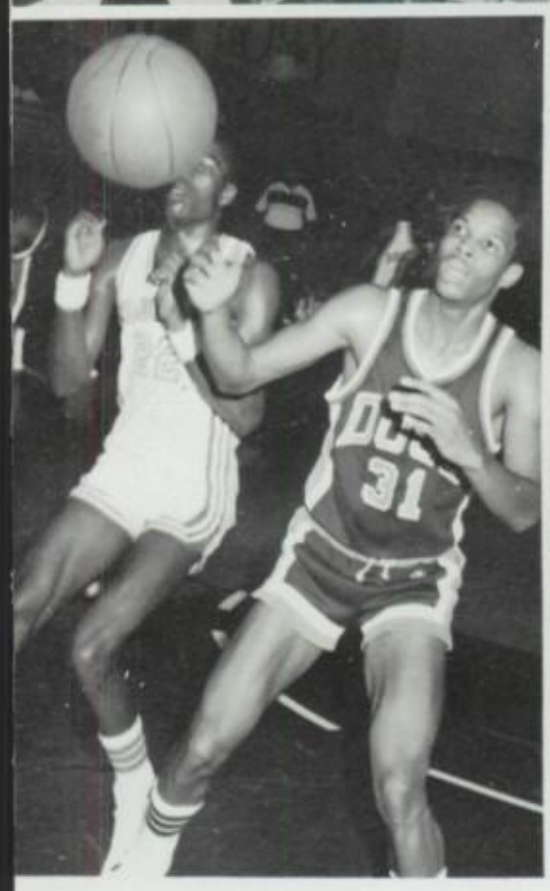
What Is A Doss Dragon?

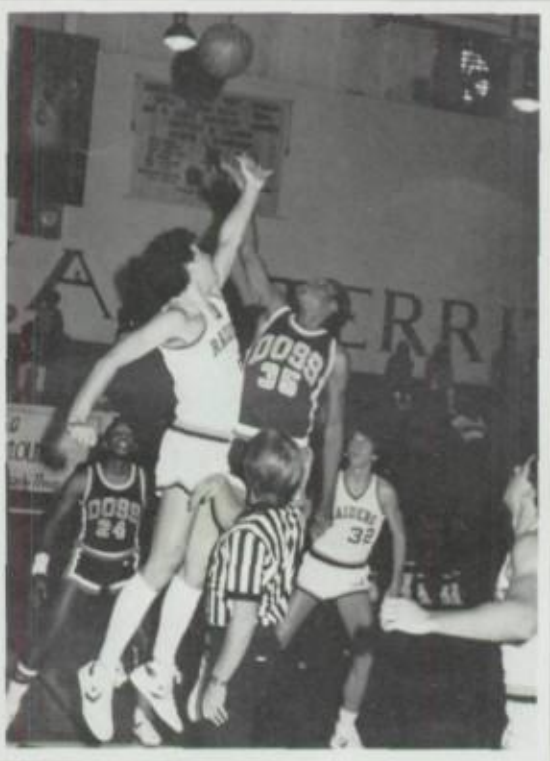


A Doss Dragon Is Each And Every Member Of Doss High School

The Dragon Is A Symbol Of Achievement . . .

. . . We Are The Embodiment Of Achievement

Dragons Strive To Be Better . . .



. . . Better Because We Want To Be

Myth '83 Dedication

Lights gave new life to Doss football games this year. Doss is now playing its home football games in lights this season for the very first time.

As a result, the attendence improved and more school spirit was shown. In the past, daytime games didn't seem to attract many students. Until this season Doss was the only public school in the county with no lights in its football stadium.

When Thomas Jefferson High School closed in 1981, the Board of Education gave the Doss Dragons the lights from the Thomas Jefferson Stadium.

We give the credit to the Doss Booster Club for installing the lights in the stadium. Without the Booster Club, Doss would still be without lights.

The school board sent the Dragons four sets of lights and six metal posts. Then the Doss Boosters bought two more sets of lights and installed the 65-foot tall poles.

The dream was years in the making. It was reborn with Sunny Watson who was the president of the Booster Club in 1980-81. Also Joe Dukes kept the idea alive when he became president in 1981.

Through yard sales, flowers, Christmas trees being sold, and the money from the concession stands, the Doss Booster Club came up with fifteen thousand dollars for the lights installation.

It took the Booster Club three months to fully install the lights with some greatly needed help from the Pleasure Ridge Park Volunteer Fire Department. They provided their 65-foot snorkel ladder so workers could install the lights on the poles.

A special thanks to: Mr. Mike Hart, an electrician, who did most of the wiring; Mr. Bud Ballinger, a shop worker, who made covers for the electrical boxes; Mr. Murrell Law, who took a weeks vacation to help paint the poles; and Mr. Joe Dukes, an engineer and surveyer, who drew plans for the height and angle of the lights.

Also thanks to these who helped in any way they could: Jim Zieglar, Pat Lenhart, Sunny Watson, Dan Shepherd, and many more.

We are proud to dedicate the 1983 Myth in honor of the Doss High School Booster Club and everyone associated with the effort to install our stadium lights. You have fulfilled a Doss goal which goes back to at least 1969 when efforts were first made to light the football stadium.

Thanks to the combined support of the entire community, Doss can shine brighter than ever before!

Class of '83 Ring Ceremony

Karen Clay looks for someone to turn her ring.

May 28, 1982 was an important day in the lives of the members of the Class of '83. The Ring Ceremony was held in the Doss gymnasium with parents and underclassmen in the audience. The underclassmen looked on with envy and the parents beamed with pride and satisfaction.

The ceremony was intended to assist the new seniors in better understanding of the meaning of the ring design and the full meaning of what being a SENIOR is all about.

The ceremony itself was only the beginning, the real celebration began at the traditional Ring Dance held at the Holiday Inn South. Entertainment for the evening was provided by the band, Caribou. It was truly an evening to remember for the Class of '83.

The Junior class officers were Jean Ann Padgett, President; Michelle Vittitow, Vice-President; Carol Evans, Secretary; and Kenny Ford, Treasurer. Junior class sponsors were Mr. Stallings, Mr. and Mrs. Dalrymple, Mrs. Hagan, and Ms. Leonard. These officers and sponsors worked incredibly hard along with some class members to prepare for all the successful activities that went with Ring Day.

Enjoying the ceremony are Becky Crum, Mary Crutcher, and Missy Danzinger.

Tim Crowder gives Becky Crum a traditional turn of her ring.

'83 Seniors hold up their rings and gleam with pride.

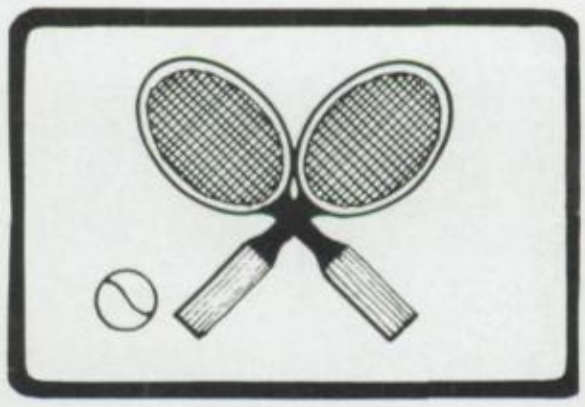
The Celebration Begins!!!

"Let's Hang On": Theme Song

Mr. And Miss Doss

Joe Olliges
Jean Ann Pagdett

Jean Ann Padgett



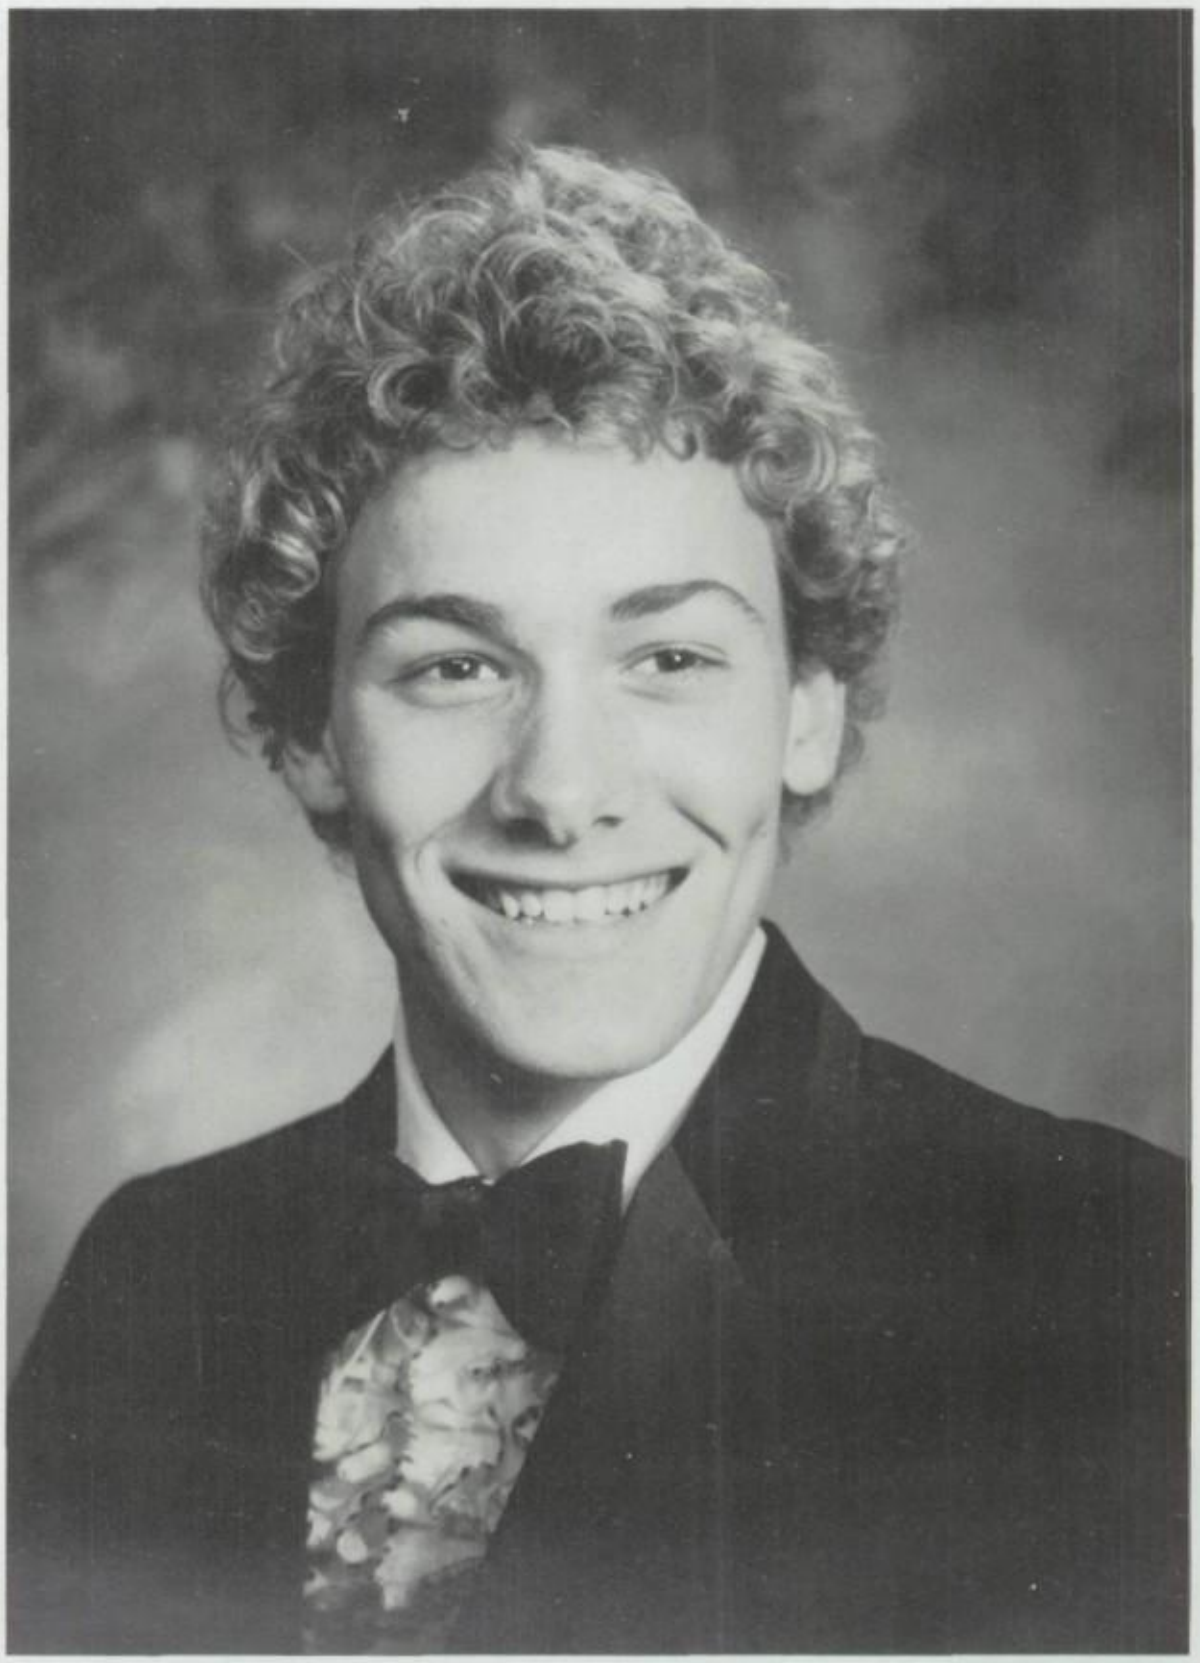
Jean Ann Padgett is a very involved member of Doss High School. She has always been involved in numerous activities in and out of school, including; Junior and Senior Class President, Pepsi Cola Generation Singers, Choir, National Honor Society, Beta Club, Tennis Team, PIPPIN Cast Players, St. Paul's Catholic Church Prayer Group and Youth Group, American Legion Dixie Post 220 Girl's Auxilliary, Bacon's and Seventeen's 1982-83 Fashion Teen Board, and many more.

In the future she plans to attend Eastern Kentucky University, majoring in mass communication and public relations with a minor in advertisement. Jean Ann also plans to travel perhaps combining her career with traveling. Hoping to someday hold an elected political office, Jean Ann also sees marriage and a family in her future. Volunteer medical work appeals to Jean Ann.

The Myth asked Jean Ann to summarize her feelings about her years at Doss. In her words, "Doss has become a great part of "me". I believe it is what I am made of inside. As the days get closer to graduation I often sit and think that when I leave this school, a part of me will be gone and I'll feel an emptiness within, a loss of friends, feelings and love. But most importantly, a part of Doss will remain within me and a part of me will remain at Doss. I'll always cherish this school as my home; I've grown with this school, and I believe we are both a lot stronger than the day we began. To me, Doss is me. Many things I love and cherish are here, most importantly my friends.

Jean Ann ranks 11th in the Senior Class and has received many awards praising her efforts such as Who's Who at Doss High School, National Honor Society, Scholastic Letter, Senior Favorite - Accomplished Most for Doss, and Who's Who Among Foreign Language Students.

Joe Olliges



Joe Olliges has a 3.3 grade point average and has been involved in a great number of activities. He is in the Beta Club, Spanish Club, Track Team, Cross Country, and Who's Who at Doss High School. Joe was the winner of the She-Male contest, Senior Favorite - Best Personality, and All State Cross Country. He has been voted all county in the mile and Joe holds the school record for the mile at Doss.

After finishing high school Joe plans to attend college, major in computer science, and continue competitive running. As a member of Our Lady of Consolation Church, Joe has worked as a lifeguard during the summer and did volunteer lifeguarding for the handicapped.

We asked Joe how he felt about Doss and in his words he feels, "I find the spirit and enthusiasm of the Doss community outstanding. The faculty, students, and supporters of Doss all work together to nurture a great learning environment and an overall cooperative spirit that makes Doss #1."

Joni Baker And Robert Whitman Doss' First Ever Finalists

Robert Whitman is one of the two finalists of the National Merit Scholarship Examination, of the 150 Doss students who took the test this past summer. Robert currently holds a 4.0 average, and he plans to attend college after graduation from high school and become an Electrical engineer. After completing college, Robert would like to work in a big city. Robert's feelings about winning are somewhat mixed. He also says that among the benefits of taking the test is that you will get an idea of what the S.A.T. is like. If you decide to take the National Merit Scholarship Examination, Robert recommends studying the study guide for a few months until you're confident with yourself about the test. He doesn't feel that there were any real drawbacks to taking the test.

Of the hundreds of thousands of students nationally who took the test, there were only 600 finalists in the entire nation. The National Merit Scholarship Examination was taken here at Doss; it is a P.S.A.T. The areas most involved are English and Math. Robert Whitman is very thankful for having taken the exam. He can now have a choice of which college he attends. Mr. Whitaker says that he is very proud and surprised to be a part of such an honor. He says that it is highly improbable for two students from the same school to be winners of such an award. He views the chances as being about 1 in 2 million considering the number of students involved. Robert and Joni are the first ever National Merit finalists in the history of Doss High. Having two finalists added even more to this rare achievement. Congratulations!

Joni Baker scores tops on National Merit Scholarship Exam — that's right, Joni is one of a select group of students from the entire nation.

Miss Joni L. Baker was born January 15, 1965 to Mr. and Mrs. Kizer Baker. When asked what her first reaction to her exam score was, she said, "My first reaction was complete surprise. My S.A.T. scores didn't seem that far above average. And I realized that I was competing against the best in the nation. After that I gained more confidence in myself and my abilities."

Asked to describe the test, Joni commented, "The test was only as hard as you made it. The areas of the test were math and English." There were, however, some drawbacks to scoring so well. "The only thing bad for me was that sometimes people would not allow me to be human and make a mistake. Right after the announcement of my winning, I made a bad score on a chemistry test and people made a big thing out of it even though I had made bad scores before and they didn't say anything. Other than this (people's comments), winning was great!" Joni's plans for the future include attending U of K, majoring in computer science and business administration.

Karyn,
your one of my best friends. I am so glad we have become so very close. We've had a lot of great times in the past. should I ~~for~~ name a few Chuck, Chuck, Chuck(#4), Spence, Greg. Shad, Sonya and Kenny. all the swimming and games - (in the closet) basements and houses. Summer's are to much fun in Windsor Forest. This yar you going to include Jim on some of our adventures. Never forget all the Hikes, walks and long talks I hope I have helped you as much as you have helped me. you know I am always here for you. your like as sister to me. I love looking out for you. Lets make this summer & next yar the Best of our Lives. Just think I'm & I will be Seniors next yar and I'm looking forward to it but dreading it at the same time because I know I have to graduate, and loose one of the Best Friends in my life. You have made my life complete giving me your friendship and happy attitude all the time. Your a joy to be around and I love you!!! Get Ready for summer because the Windsor Forest Gang is a coming. Good luck with Jim, the love of your life.

Junior Class Officers

Tammy Spencer - President

Shelly Towell - Secretary

The Junior Class officers and sponsors have worked hard to organize the Class of '84. Activities have been centered around fundraising with sales of both candy and magazines. The class seemed well on its way to raising the funds necessary to finance a great senior year. Sponsors Miss O'Bryan, Mrs. Quisenberry, and Mr. Nash worked long and hard along with the class officers and class members in preparations for both the Ring Ceremony and Ring Dance. The juniors were active in football homecoming building a float and fielding a powder puff team which fell just short of upsetting the senior girls. The juniors lost the close contest by a score of 12 to 6. Juniors also participated in the other athletic events held the same evening as the powder puff game. The junior girls won the tug-of-war.

Much time and effort was put into making the 1982-83 school year a foundation building effort in preparation for a great senior year.

Juniors show their Spirit!!!

J

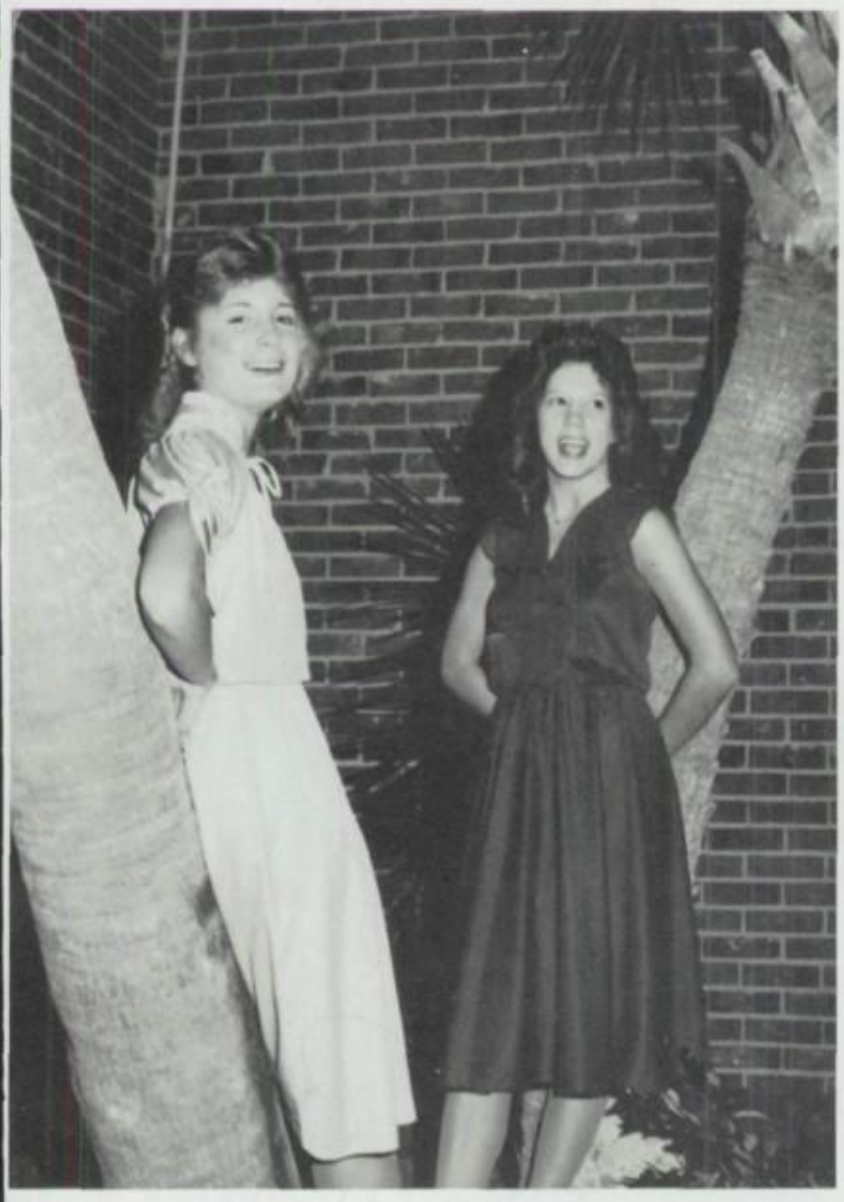
Huh, us dance?

Guess which class is number one with this bunch?

Cheri Pate, Mary Martin, Coach Bocko, and Jeanne Wilkins laugh it up at a pep assembly. You'd laugh too if you heard Bocko's jokes.

No sweat man — the situation's under control when the Juniors are there!

Tammy Spencer is tugging away in the Powder Puff Football Game.



Adding a pretty touch to the Florida scene are Debbi Schmitt and Beth Whitfield.

We'd like a dozen of each please - Angela Hash and Danette Edlin.

What a day for a day dream, right Russel?

Karyn,
We've had a lot of fun this year. But the best part was that you were there. Don't forget all the wild things we did as freshman + will have to top that next year. right.
Don't forget the fun Pep Rallies + everything like the Ballet + I hope you + Jim stay together forever, you make a great couple. Don't let little things upset you O.K. I can say much + maybe he'll get his stuff together. Well I don't know what else to say but thanks for everything you've done for me. I promise. Ever I tried I never want to lose. I hope we at least have a couple of classes together. I'll never forget you + don't you forget me. We have to go out + celebrate this summer. Ok. Love ya
I be there for you
or me. I promise. Ever
spell it. I really don't care
fight. How about you? Well,
Doodle

A Night to Remember

The Calendar Couple Pageant is an annual event at Doss High School. This year's contest was sponsored by the Senior Class.

Each school organization wishing to enter the pageant selected contestants they felt would represent them well.

During the pageant the couples were judged on their speaking, walking and turning, poise and appearance.

The judges selected twelve final couples, one for each month of the year. Additionally, a cover couple was chosen.

Mistress of Ceremonies was Jean Ann Padgett. Entertainment was provided by Charlie Graham, Sherri Kinney, Thad Cosby, Patty Smith, and Richard LeMaster.

The judges were representatives of a college, a modeling agency, and one other high school.

Jean Ann leads the pageant.

The Day Of The Parade

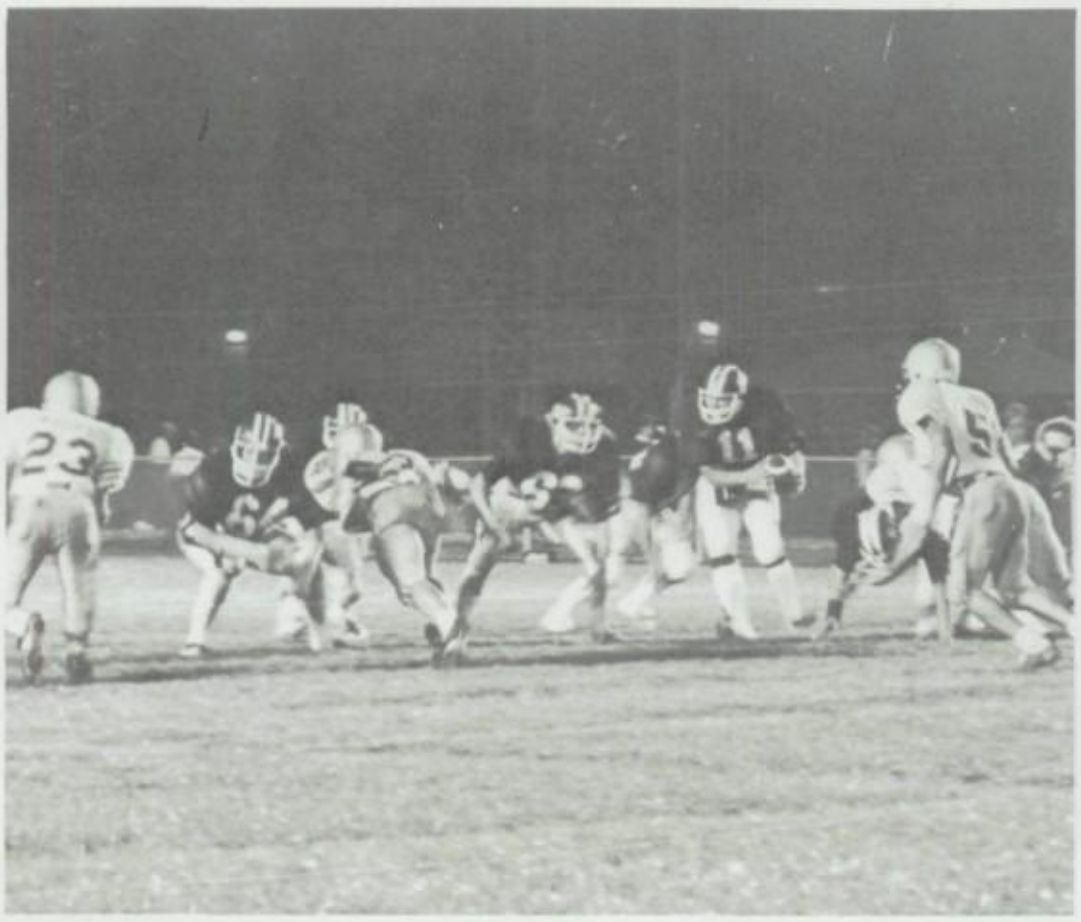
The day of the game was the most exciting day of the Homecoming week. The day started at 9:00 a.m. with our traditional parade. The parade traveled down St. Andrews Church Road, through the area neighborhoods and nearby grade schools, Kenwood and Trunnel. After the parade, everyone gathered in the large gym for an all day pep rally. The main event of entertainment, a total surprise to everyone, was a guest appearance by Hazel Miller and her band, singing our version of "Look what we can do, DHS."

Homecoming Activities

This year's Homecoming Week was one of the most exciting at Doss High School. The week started out with She-Male Day, the males dressed as females, and the females as males. The second day was Clown Day; many students dressed in their favorite clown costumes. Wednesday was a success as the students participated in Inside-Out Day. They wore their clothes inside-out. Thursday was Character Day, if you walked through the halls, you saw Louisville Cardinals, Donald Ducks and little furry mice. Last but not least was Burgundy and Gold Day; almost every student participated in this actiity.

The Fun Was Happening

The Dragons Win Big



Left Top - The Dragon defense stops Moore's offense.
Left Middle - Jay Brown runs for the first down.
Left Bottom - Gary Hack hands off to David Grisham.
Right Top - David Grisham goes for a punt.

The Victory Dance

After the game, everyone assembled in the small gym of Doss High School to celebrate the winning of the game, and the crowning of the Homecoming Queen.
Left Top - Freshmen enjoy their first Homecoming.
Left Middle - Please say cheese!
Left Bottom - David Reynolds and Lisa Sisk pose for a picture.
Top Right - Everyone can see Scott McMichaels is happy.
Middle Right - Tina Ratterman tries to show Michelle Hazelip her new outfit.
Bottom Right - Adam Crawford and Jennifer Howard, they look so happy?

The 1982 Christmas Program

The 1982 Christmas program was a great success as measured both by contributions and the program itself.

The student body showed it was in the spirit of giving as over $1300 was collected to buy perishable items to complete the food baskets which most first period classes donated. Thirteen needy families in the area received the baskets.

The Program began with the traditional silent march to the gymnasium. Outside the gym were the choir and the Pepsi Singers joined by Miss Hazel Miller. Their Christmas carols helped set the proper mood for the program.

As the Seniors were seated in the center of the floor area, Student Council President, Toni Jaggers introduced our guests. Superintendent Dr. Donald Ingwerson brought Christmas greetings and introduced his wife, Mrs. Lona Ingwerson, who gave a dramatic recitation of THE BALLAD OF THE HARP WEAVER by Edna St. Vincent Millay. Her presentation was enjoyable and thought provoking. Chairman Jim Hern spoke briefly on sentiments of the season.

The Pepsi Singers gave their usual outstanding performance singing various Christmas songs. The Band was next directed by Mr. Temple, playing beautiful Christmas carols. Mr. Whitaker announced the 1982 Who's Who as they went through their traditional lighting of candles ceremony.

Mr. Whitaker added his own special song AVA MARIA sung for the student body to show his warmth and caring for them. Seniors lit their candles and displayed the Christmas spirit as everyone was dismissed.

1982-83 Pepsi Singers

The First Row: Sandra Schmitz, Karen Garthwaete, Emlyn Poole, Patty Smith, Dana Curlee, Janet Borders, Shelly Stwart, Shelia Glenn, Linda Banks, Tersa Orthodroer, Brain Sellers, Greg Newman, Richard Lemaster, Sherrie Kennie, Missy Hauter, Jean-Anne Padgett, Gwen Cole, Kim Hill, Aliceson Kern, Charotte Graham. Second Row: Ann Kern, Jennifer Gather, Carol Evans, Pam Ray, Greg Quiggins, Victor Meyer, Thad Cosby, Chris Steller, Terry Jackson, Bobby Heroin, Doug Sheakly, Pat Melton, Ricky Edmondson, Jeanne Wilkins, Kim Watson, Rebbeca Lee.

The Doss High Pepsi Generation singers consisted of 37 students. Each student must try out individually before choir director Ms. Gail Taylor. She judged them on facial expression and vocal standards.

The group traveled around Jefferson County to sing at special occassions.

Although known for singing at nursing homes, different schools, banquets, and parades, the group's biggest expedition was at Christmas, when they got the chance to go to Chicago. Also every year around this time we have our own television special with channel three. And this year we were fortunate enough to have Hazel Miller and the Monarchs join us.

Providing our leadership in the group were our 1983 seniors, all these members included Dana Curlee, Teresa Orthober, Carol Evans, Karen Garthwaite, Chris Stettler, Richard Lemaster, Sherrie Kennie, Missy Haueter, Jean Ann Padgett, Rick Edmondson, Allison Kern, Charlotte Graham, and Toni Jaggers.

Through the Dedication of Ms. Gail Taylor and the Pepsi Singers, Doss High once again was well represented in a variety of places.

The Pepsi Singers sing at Doss High School during the Christmas Holiday, and what a fine performance it was.

Royalty

Basketball Homecoming this year was highlighted by four events; the pep rally, the game, the crowning of the Queen and King, and the dance.

Both boys and girls teams managed to keep alive the spirit that had been ignited during the day as they each won their games against P.R.P. The girls avenged an earlier season loss to the Panthers by winning a strategically played game 52 to 50. The boys followed with a 46 to 56 win in one of the seasons most exciting games.

Tina Ratterman and Peter Blincoe were in the spotlight as they were crowned Homecoming Queen and King by last year's Queen Christy Vanderpoole and her escort Brian Smith. The senior class was well represented by the court.

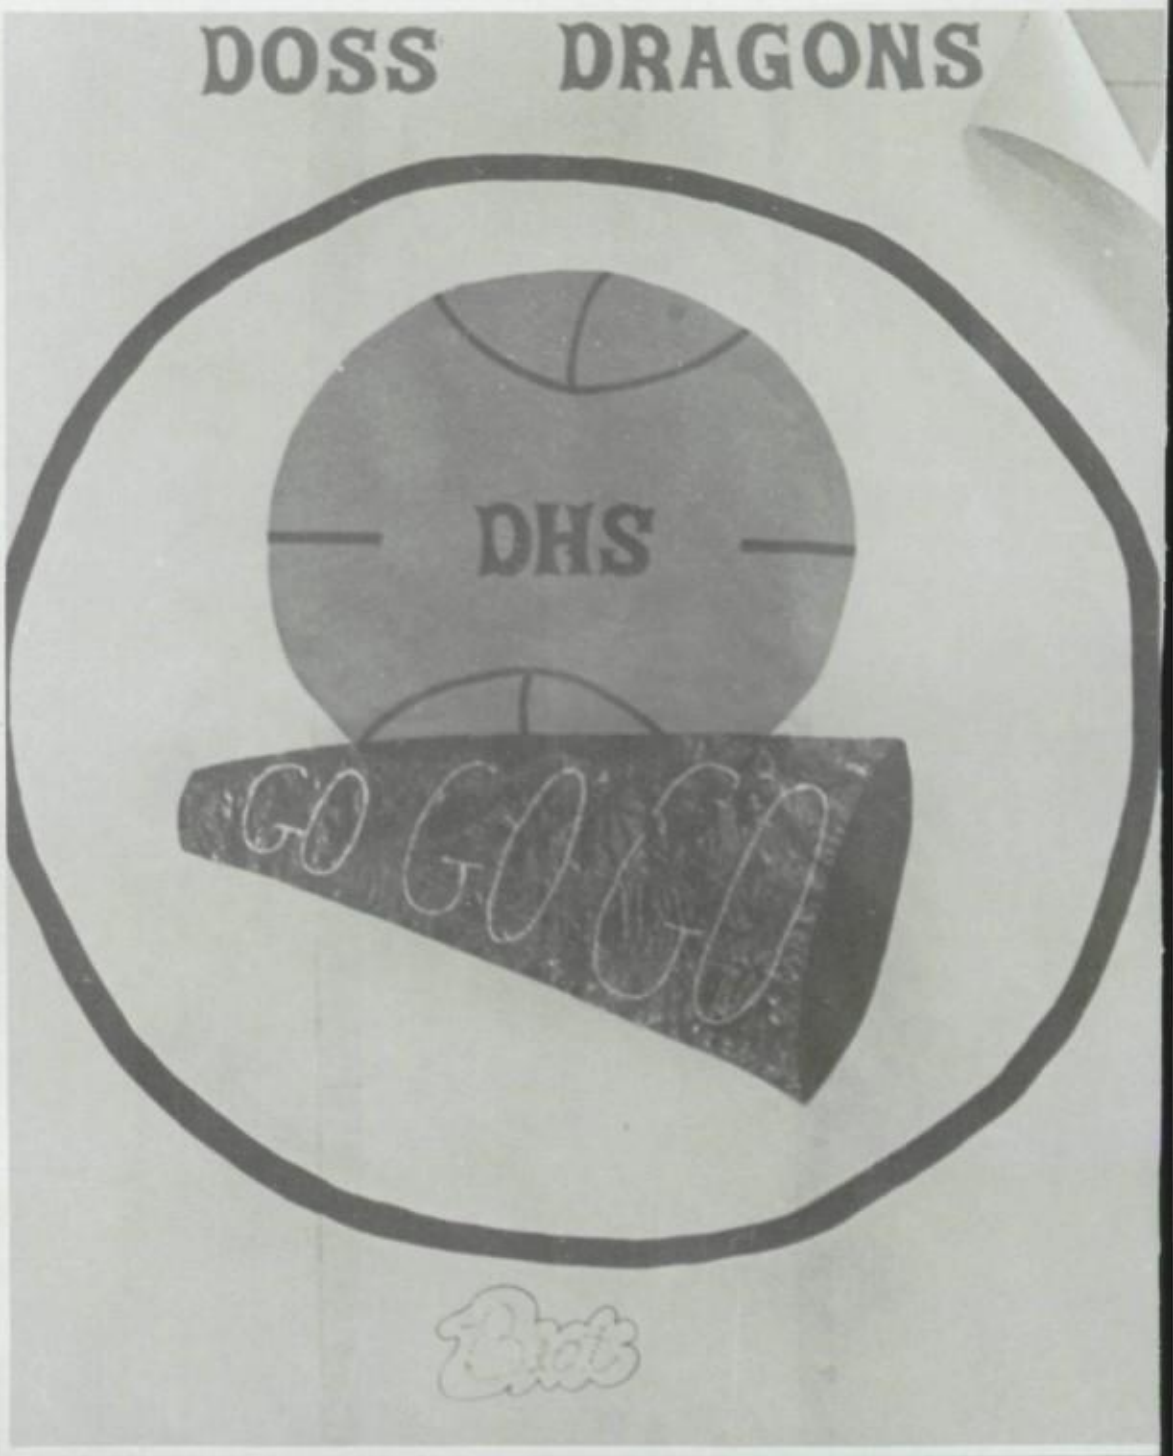
Homecoming Pep Rally



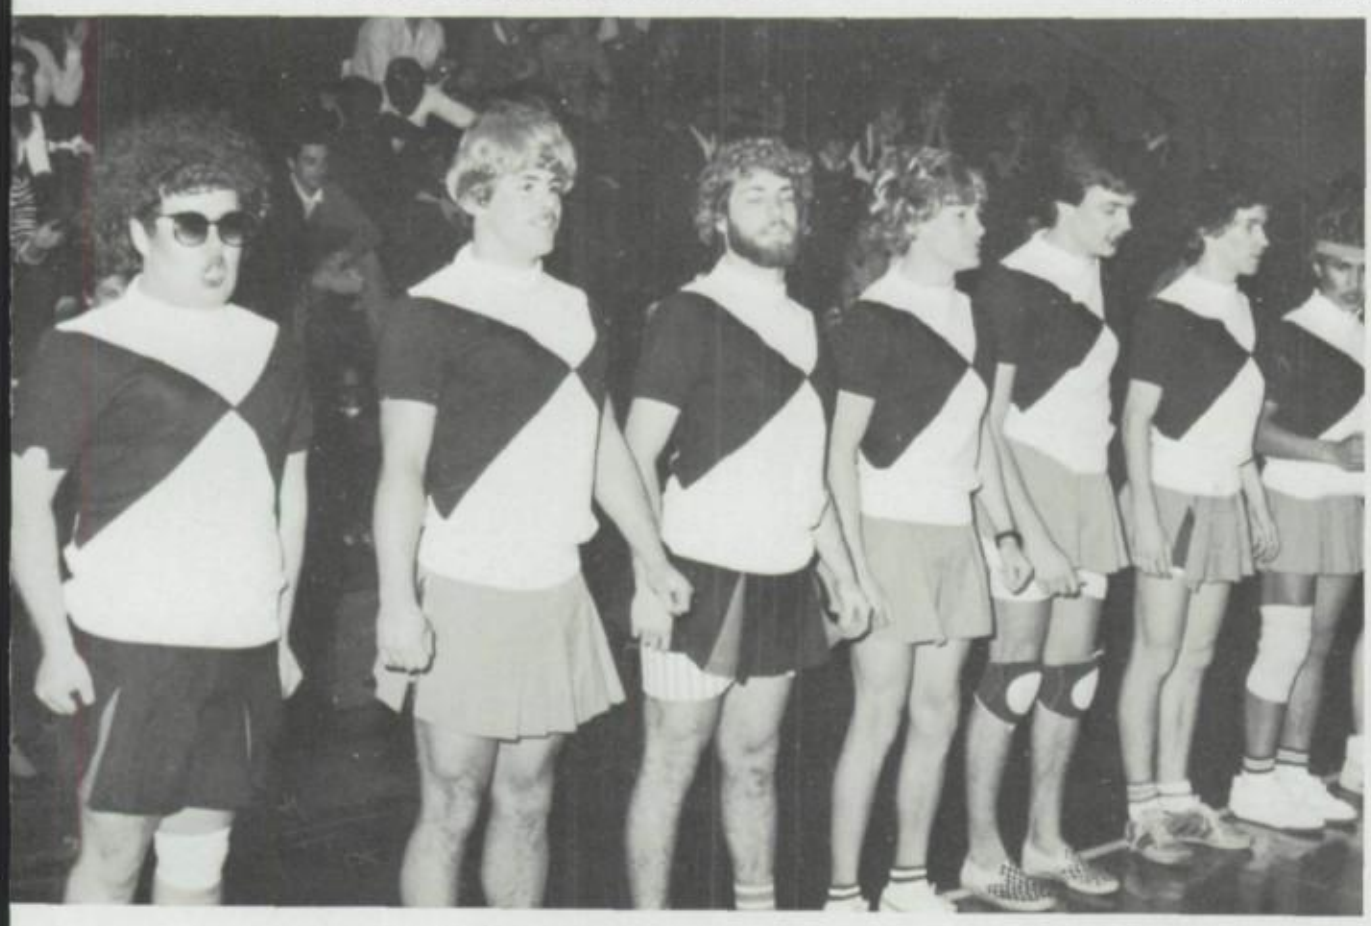
Junior Cheerleaders Dominate!

Freshman, sparking with spirit

Admit it, sophomores have class

Juniors wobble, but they don't fall down

The Homecoming pep rally was centered around the second annual She-Male Cheerleading competition. The contestants were judged by a distinguished panel which included Ms. Jucoff, Mr. Salyer, Mrs. Lindauer, Mrs. Obryan, and Mr. Shepard. The Freshman with their high screachy cheers, won the spirit award, while the Sophomores simply had a good time competing and gained valuable experience for next year. The seniors captured the fashion award with their colorful uniforms and sensual lengerie. The overall award was won by the Juniors with their phenomenal rotating pyramid.



Seniors . . . Hup, two, three, four!!

Sexy Rexy, He's so fine

Homecoming Dance

The spirit that played such an important part of the day continued into the homecoming dance. Ricky Edmondson and Peter Blincoe served as disc jockeys while the seniors displayed their expertise at dancing. The dance concluded to what had been a memorable day.

A Victory Celebration

Mock Wedding is Successful

On January 14, 1983, Mrs. Ballinger's sixth period Marriage and Parenthood class put on a mock wedding. The whole class was involved in this difficult, but successful project. Ms. Taylor's sixth period class attended the ceremony along with a few parents and friends of the groom and bride. A reception followed the ceremony and even though everyone was rushing to clean up, the food was well enjoyed. All agree the best part of the wedding was when the nervous groom dropped the wedding band.

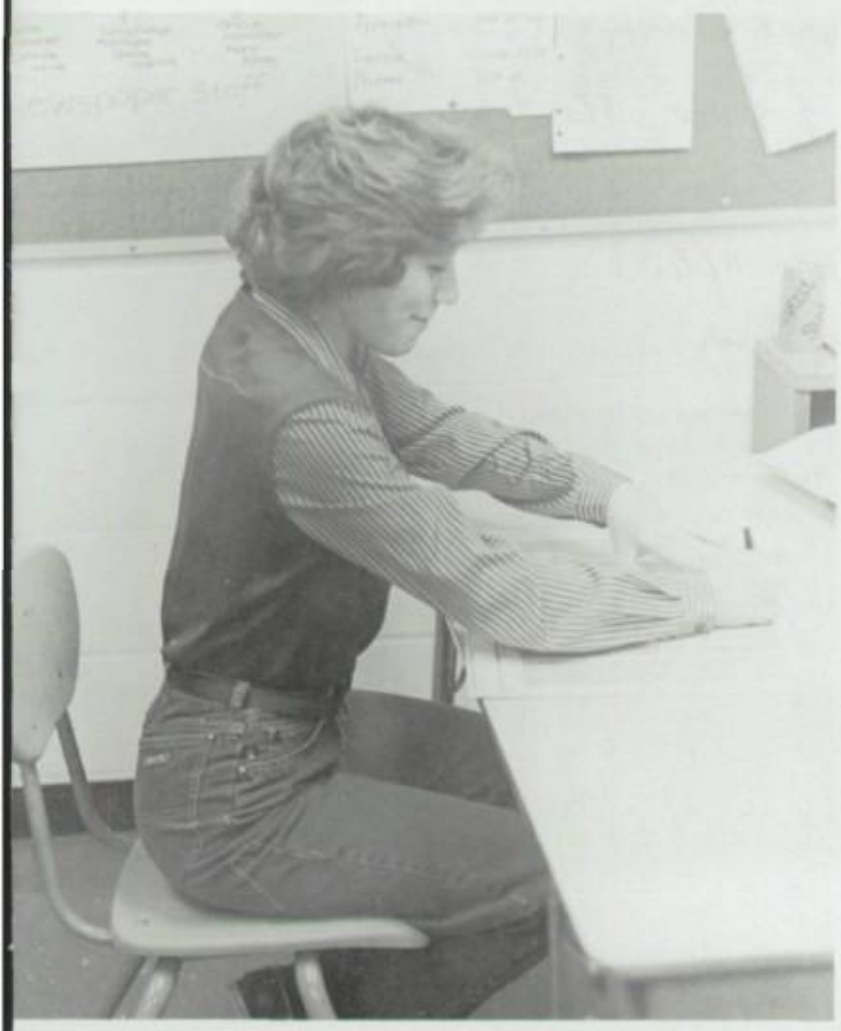
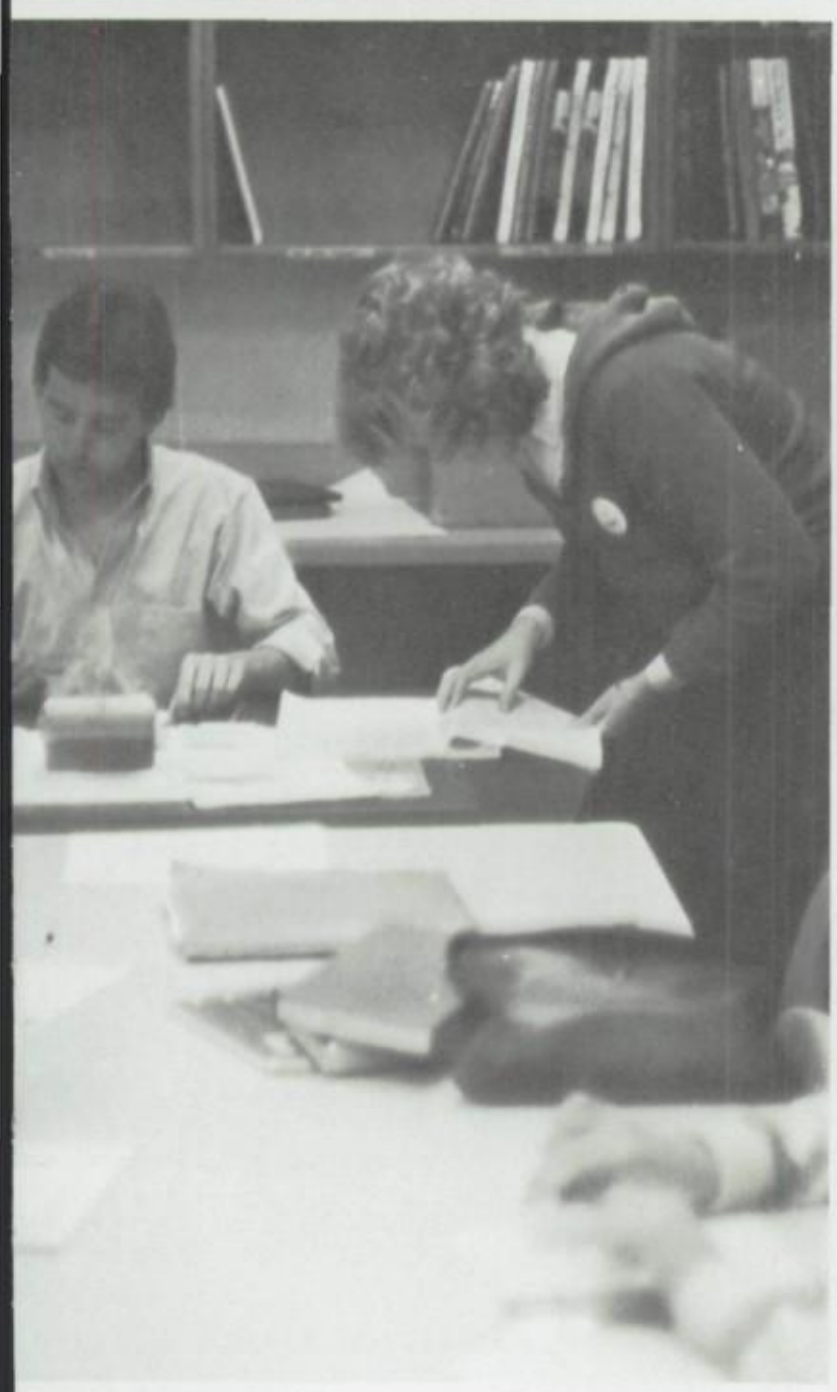
MYTH:

Students strive to capture the memories of 1983





The annual staff of Doss High School consisted of seventeen members who met everyday fifth period to work on the MYTH. With only five members from the previous year, the publishing of the book became a difficult, but learning experience for the newcomers.

Everyone received his fair share of lessons in salesmanship and organization. There were times when selling ads, getting orders together, and working to meet deadlines became quite a hassle, but the staff never gave up. They strived to make this year's MYTH an original with the new ideas and special photographic effects.

Though there were many headaches and frustrations, the staff feels that the MYTH of 1983 was an accomplishment worthy of the effort.

Newspaper Staff Works Hard . . .

The 1982-83 Dossmopolitan staff was made up of six seniors and two juniors. Editor Kim Greenwell was the only returning veteran from the '81-2 staff. Susie Koverman, who transferred from St. Cloud, Minnesota, where she worked on their paper, brought some new ideas, and served as Feature Editor.

The staff spent many hours struggling with financial problems. To produce an 8-page newsprint paper would cost about $300. Per issue, and multiplied times the number of issues desired, presented quite a problem in fund-raising, since the staff itself had to raise the printing expenses. Candy sales proved best of attempted fund-raisers and plans were made to produce a mimeographed paper in an effort to hold down costs. Five such issues were planned. The staff experienced much frustration as well as satisfaction during a year of learning to cope.

Being a senior on a football team is something that these young men will always cherish forever. No matter how old you get, you will always remember your high school team.

When the last game was over for these seniors, it finally hit them after the game that it was their last time to represent Doss High on the football field.

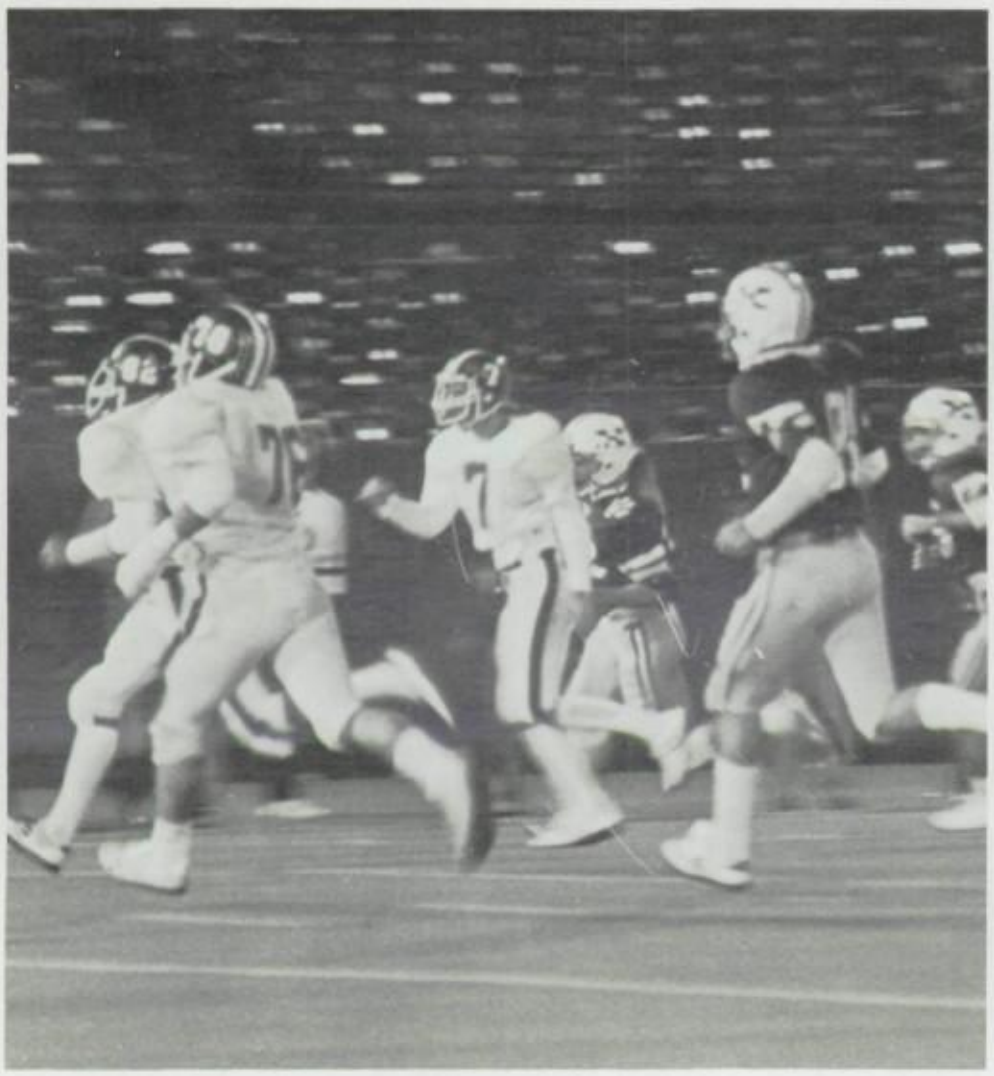
But then you have to remember all the wonderful moments that you've had being on the team. Pep ralleys, getting out of school to practice, and all the extras a football player gets.

These Seniors on this page have a lot to be proud of, like having another winning season, and just being able to go to the playoffs. Through the ups and downs found in any football season these seniors have made special memories for themselves and the rest of Doss High.

So here's to the seniors of '83!

Class of "83"

7 - 3 Finish



The 1982 Dragon Football Team was one of the best Doss has had in the past few years. The team showed great abilities as they strived for great excellence with a 7-4 season record.

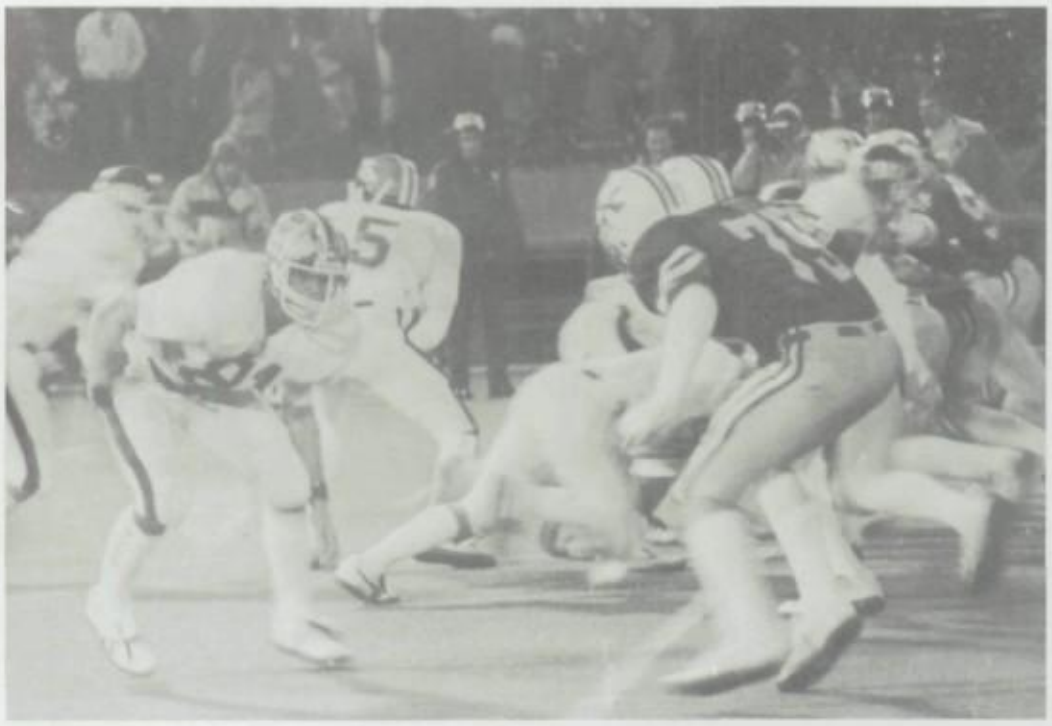
This year's Dragons began a new Doss tradition with our very first night game at home. The lights had been installed over the summer. It was a moment of happiness and joy which wouldn't have happened without the efforts of many persons in general and the Doss Booster Club in particular.

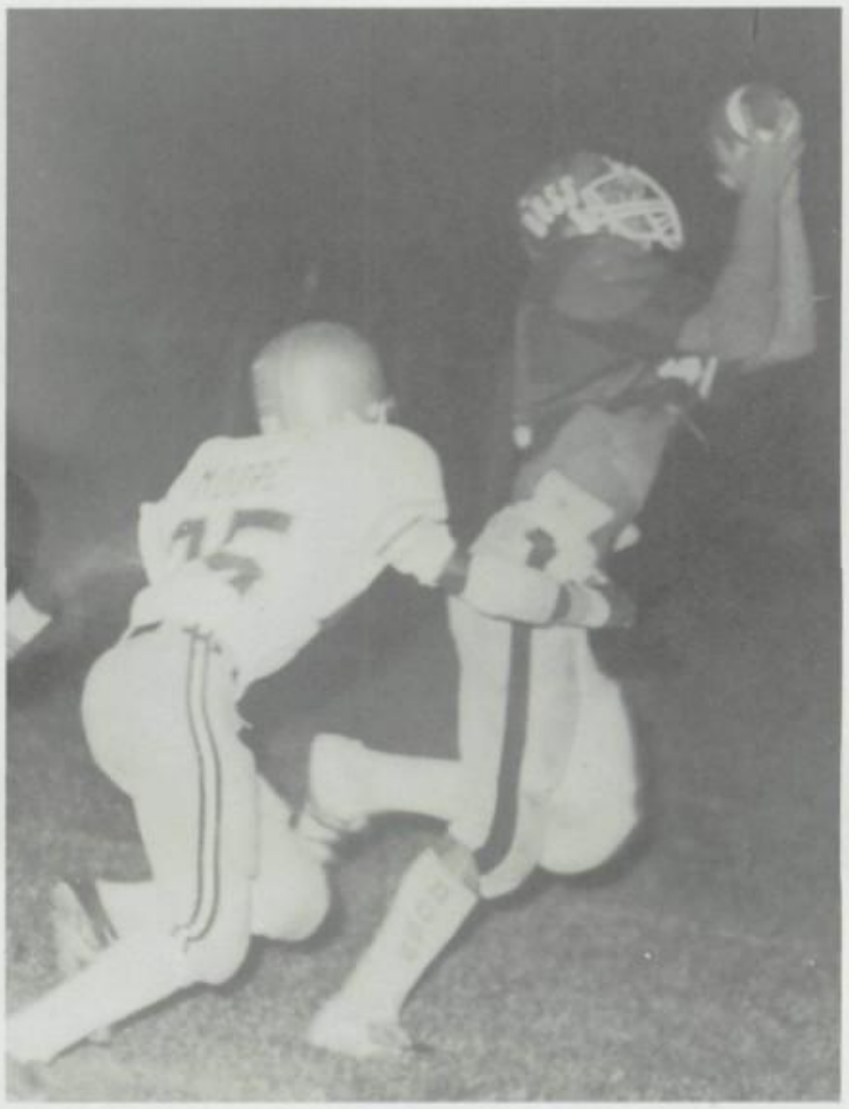
On "opening night," the Dragons went up against a very fine football team in the form of the Trinity Shamrocks. As the game ended, the Dragons just couldn't stop the Rocks who won by a score of 13 to 6. This loss to the powerful Shamrocks couldn't dim the enthusiasm of the fans or team after playing under the lights for the first time ever on their own home field.

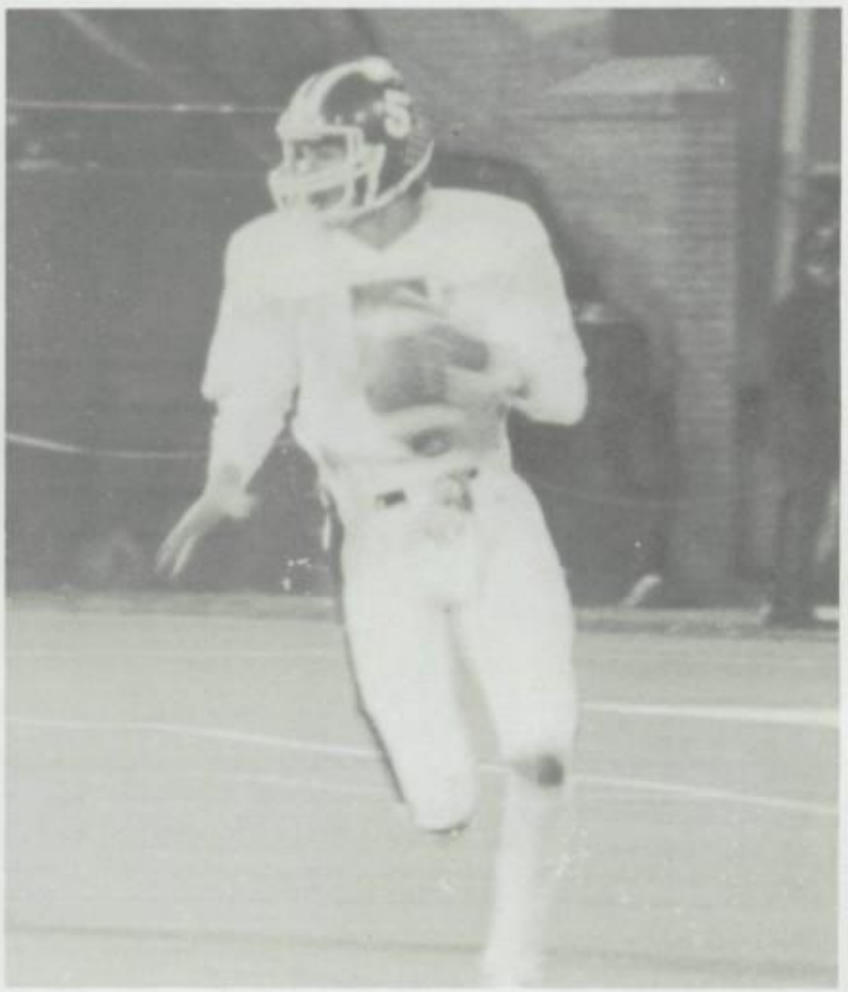
The next week saw the Dragons meeting Shelby County who had beaten Doss last year. This season was a different story as the Dragons showed Shelby County that Doss wasn't playing around, defeating the Rockets 9-7.

One of the most exciting and most satisfying games was that of DeSales vs Doss. With the Dragons having lost last year's games to this arch-rival, this game meant a lot to our team and student body alike. After a scoreless first-quarter, the Colts broke the scoring ice with a field goal. The Dragons never lost hope and came back after half-time to score a field goal of our own to

District 2 Runners Up







tie the game. The score remained 3-3 at the end of regulation time bringing an overtime. DeSales got the ball first and scored a touchdown, but failed to score the point-after. With the pressure on, the Dragon offense came alive, and when the smoke had cleared, Doss had scored the touchdown and the extra point to win this important and exciting game.

A somewhat easier stretch of the schedule came to an abrupt end when the Dragons went up against a strong Western High Warrior club. Western prevailed 6-0 in a loss that both disappointed Doss and clouded the play-off picture. The Dragons bounced back, winning their next two games, to go into the regular season finale against the powerful Southern Trojans. Having already wrapped up a play-off berth, Doss was then fighting for the District Championship. "It wasn't meant to be," though and the end of a long and grueling game had Southern emerging as the winner.

Entering the play-offs as District Runners-up, the first, and unfortunately last Doss opponent, the Saint Xavier Tigers proved too strong as the Dragons' last game-tying field-goal attempt failed, final score: St. X 11, Doss 8.

All in all the Dragons once again proved they were an opponent to be feared, gave their fans an exciting season highlighted by a second straight trip to "the turf," and chalked up Doss High's ninth straight non-losing season. Congratulations to the team, Coach Bocko, and his staff.

Future Dragons Have Success

Our future Dragons were a great success this past season. They had one of the best records in Doss' history. The Dragons lost only two games the whole season, those coming to fine football teams, the Desales Colts, and PRP.

In the beginning of the season the Dragons opened up with the Desales Colts, they played a good game, but the Colts were just too good a team for our Dragons, we lost 0-14, the other loss coming from PRP 13-6.

This season's coaches were Bill Dalrymple, William Perkins, and Steve Wilson. Most did the finest job they knew how. The Dragons ended up with a 7-2 season, one of the best seasons for the junior varsity in Doss' history. So here's to a good job, J.V's.

Although the volleyball team didn't win as many matches as hoped, there were only two graduating seniors on the team. Next year's team should have the experience necessary to produce a fine record.

District Tournament - Fairdale	*L*

The Boys Varsity Basketball Team, under Head Coach Leon Mudd and Assistant Coach Joe Freshly, has finished another respectable season. "Experts" varied in their pre-season predictions. One thing that was certain was that the Dragons' schedule included some classy competition.

The team opened the season with a trip to Fort Walton, Florida, for the Playground Classics. They came away with one victory and two losses. Opening at home with Butler, the squad lost a thriller only to later gain the victory when Butler had to forfeit due to using an ineligible player.

Then the number one-ranked team in Kentucky, Male proved too strong for Doss. Playing the Bulldogs close through three quarters, the Dragons came up on the short end of the stick in the fourth quarter and lost. Camden High, New Jersey, came next and being ranked number twelve in the entire nation was quite a challenge for Doss. Again the Dragons played close for parts of the game, but were overwhelmed in later stages.

Among the better victories of the year were those over Western, PRP, and North Hardin. One of the few losses on Western's record came at the hands of the Dragons; the Homecoming victory over PRP avenged an earlier defeat; and beating North Hardin was a morale booster because they were one of the best teams in the region.

The season came to an end in the Dragons' opening game of the District Tournament. The Fairdale Bulldogs and the Dragons played such a close game that any one of several plays or close calls could have determined the game's outcome. Indeed the close of regulation play found the score tied at 56. Overtime number one ended in a tie, 62 all, bringing on a second overtime. Still both teams came up even and OT #2 ended at 66 for both teams. The last overtime saw William Ingram score with 45 seconds left and pull Doss to within two points. Fairdale stole the ball on the Dragons next-to-last possession and scored to take a four-point lead which gave them the hard-fought victory by the final score of 74 to 70.

Seniors William Ingram, Kenny Ford, Dennis Hicks, and Chuck Shipley provided the experience necessary to get the squad through the tough spots. William finished the season with a scoring average of 15.8 and averaged 9 rebounds per game to earn himself All District Conference honors as well as being named to the All Sixth Region Team.

Underclassmen like juniors James Tyler (15.8 pts and 8 rebounds), Scott McMichaels (10 pts and 4 rebounds) provide the foundation for next year's team. Both James and Scott also made the All District Conference team. Other juniors who played were Matt Dunn, Thad Cosby, Gary Hack, and Russell Weakley and they added much to the team.

Sophomore Maurice Jones started 22 games and is an important part of future Dragon teams. Additionally sophomores Mike Potts, Spence Shipley, Mark Lyons, Damon Nalley, and Clark Carrol played important team roles.

With twelve of fifteen team members returning for next year, the Dragons' future looks bright indeed.

Seniors Lead Way To Success

The seniors contributed much to making '82-'83 another winning season. Helping to make it a great season were seniors (left to right) Mary Crutcher, Stephanie Ellis, Carol Stark, LuLu Banks, Cheryl Juenger, Amy Thrasher, and Ann Karnes.

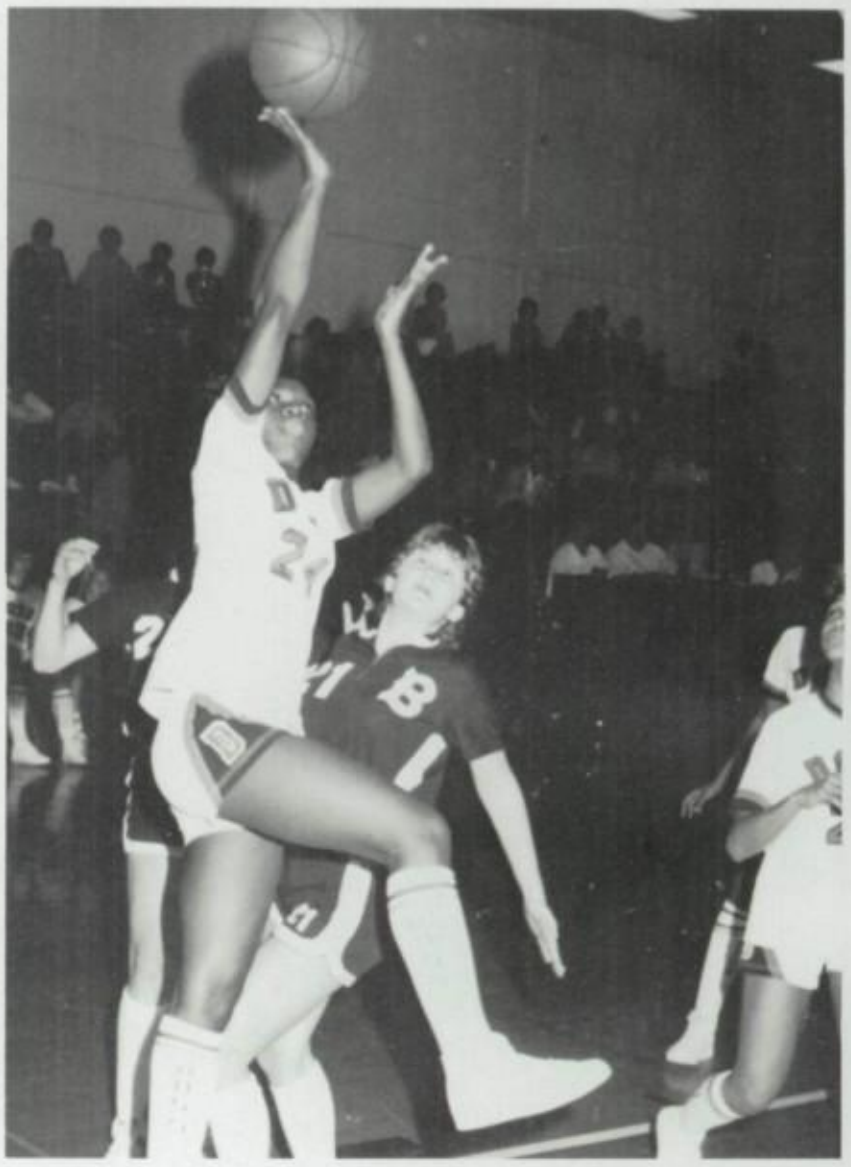
A Great Year for Girls Varsity

For 1982-83, only one starter returned from the regional runner-up team of 1981-82 which had won a school record of 20 games. Many people felt that the girls would experience their first losing season ever under Coach Phil Ritz. The team, however, was comprised of seven seniors and four juniors who brought much maturity and experience to this season's campaign. The "experts" were proven wrong.

The girls opened the season with a three-point loss to Butler, but bounced back to defeat highly-regarded Western 61-53. After a resounding victory over Iroquois 65-40, the girls dropped a decision to Holy Rosary by a narrow margin' One of the most disappointing losses of the season came at the hands of PRP when the Dragons suffered from cold shooting at the free-throw line and converted only 19 of 51 freethrow attempts. The girls then participated in the Carroll County Invitational Tournament and defeated the host team 57-56 and Gallatin Co. 61-49 before losing to Atherton in the championship game 53-46.

After the Christmas recess, the girls began rolling - winning 9 of their next 11 games. Victories included; 51-44 vs. Central, 64-47 vs. Ballard, 59-43 vs. Shawnee, 53-42 vs. Fern Creek, 59-37 vs. North Hardin, 57-38 vs. Fairdale, and 44-37 vs. Valley.

The Dragons had a very balanced scoring attack this season and were led by seniors Lulu Banks and Amy Thrasher who both averaged 15 points per contest. Stephanie Ellis, Ann Karnes, and Carol Starck were the other three starters and each averaged from 7 to 10 points. Sheryl Juenger, Mary Crutcher, Lisa Norton, Belinda Hart, Carmen Blincoe, and Shelly Towell each provided the strong reserve support needed to make the team really go.



How high can you go, Lulu?

Lady Dragons Show There Success.

The Lady Dragons who lost to Fairdale in last years 23rd District Final made sure it didn't happen again. They defeated the Bulldogs 56-30, in the 23rd District final game. The Dragons took a quick lead by out scoring Fairdale 18-2 in the second quarter. Our own senior LuLu Banks hit 9 out of 13 shots and scored 20 points while Stephanie Ellis added 14 points and 13 rebounds. This was the Dragons 16th win against 8 losses. Having won the district title, the lady Dragons then ventured into the 6th regional tournament. Their first round opponent was Iroquois.

1982 Boys' Cross-Country

Left to Right. Larry Mattingly, Jimmy Miles, Joe Olliges, Brad Johns, Neil Olliges, Chris Jennings, Doug Shakely, Kenny Brown.

The 1982 Boys' Cross-Country Team consisted of eight members. The team was coached by Mr. Ray Byerly, a man experienced and dedicated to the running sports.

The stamina and the endurance that were put into every practice workout paid off as the team ended its season with a record of 4-4. Among the outstanding moments of the 1982 season were the team's third place finish in the Moore Invitational and taking fourth place in the Regional Meet held at Seneca Park.

The team was led by two seniors, Joe Olliges and Brad Johns, who were outstanding competitive runners. Joe Olliges won third place in the region and seventh in the state. In recognition of Joe's accomplishments, he was selected to the Courier-Journal's All State Cross Country Team. The team was chosen by a vote of Cross-Country coaches throughout the state.

1982 Girls' Cross-Country

The Girls' Cross-Country Team was coached by Mr. Ray Byerly. The team consisted of five runners: Junice Johnson, Laura Marshall, Angela Harbin, Lisa Leitner, and Stephanie Shultz. Angela Harbin, the only senior, provided leadership for the team.

Although the season record was not quite what they had hoped it to be, the girls remained dedicated and gained experience. Outstanding running in the Regional Meet was shown by Lisa Leitner, who placed eleventh, and Junice Johnson, who finished twelfth. With all but one team member returning, the combination of youth, experience, and knowledge should make the Doss Girls one of the top competitors for the 1983 season.

Jay Heichelback is the 1983 Kentucky State Champion Wrestler in his weight class (112lbs). He has wrestled for Doss for the past two years coming from Waggener High School, a top wrestling school around this part of Kentucky. Coming to Doss in the middle of the wrestling year he had a slow start but a fine finish.

Jay's victory over Danville's Chris Witten in the State Final gave him a 33-3 record for the year. Jay was one of only four Jefferson County wrestlers to win a first place medal. Jay and teammate Brandy credit a lot of their success in the finals to one-another, because each one pushed each other in practice. Jay said that he didn't mind going into overtime with Witten, because he felt that he was in good shape due to having run cross country.

Brandy Langley is the 1983 Kentucky State Champion in his weight class of 105. Brandy is a senior who has made it to the State Tournament representing Doss High School for the past two years. Brandy came from Stuart his junior year and in the 98 pound weight class and did very well.

After winning over Seneca's Eddie Wooley 7-0 Langley was only one match away from being the top 105 pound wrestler in the state of Kentucky. Winning 11-0 in the state finals over Jeff Lawrence he said that he felt "wonderful."

Brandy standing only 5'3" says that his height helped him because this was one of the few times he was taller than his opponent. He went on to say that the little height advantage gave him more leverage.

But after all the hard work and time put into the season came down to the last match and paid off for senior Brandy Langley. "So here's to the champ."

The members of the Varsity Cheerleading squad dedicate much time and effort throughout the school year to the betterment of the squad and school spirit.

The 82-83 Cheerleaders worked very hard throughout the year under the supervision of Ms. Cindy Woosley, their sponsor. This year's squad consists of 6 seniors and 2 juniors. The cheerleaders begin practicing in June in preparation for the 82 football season. They then continued practicing on pom pon routines, competitions, and basketball season. The Squad attended the Coke Competition in November, which was held at Jefferson Mall. They were chosen as one of three winners on that night. They were then invited to return and compete in the final competition.

It is the role of a Doss Cheerleader to be a leader among fellow students and to maintain spirit in her school. The squad cheers at many sporting events during the year and in essence, the cheerleaders have a "never-ending" season.

The J.V. Cheerleading squad for 82-83 is sponsored by Ms. Shelly Dukes, a 1978 Doss graduate. The J.V. Cheerleaders worked hard during the year cheering on the J.V. football and basketball teams. The J.V. squad which consists of 6 sophomores and 2 freshmen, attended the Jefferson Mall Competition in November. At the Iroquois Competition, they placed 3rd. This enabled them to compete in the Bashford Manor Mall Competition, which was their final competition.

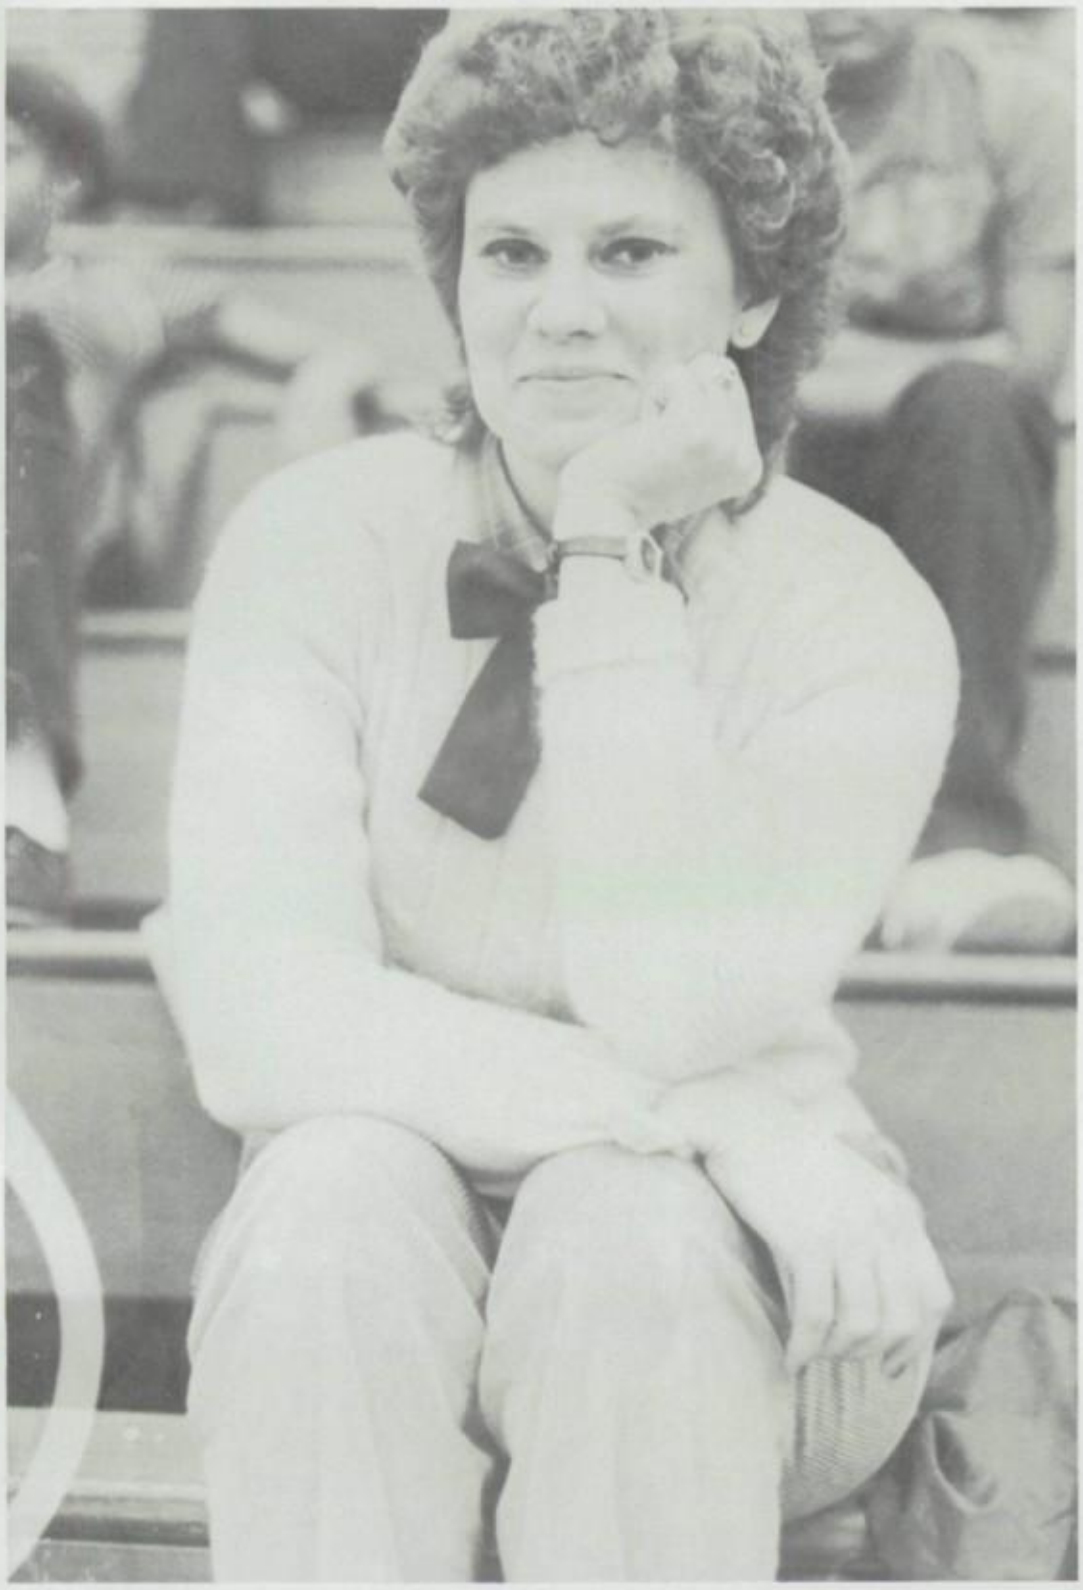
" . . . No man is an island, entire of itself; every man is a piece of the continent, a part of the main. If a clod be washed away by the sea, Europe is the less, as if a manor of thy friend's or of thine own were. Any man's death diminishes me because I am involved in mankind, and therefore never send to know for whom the bell tolls; it tolls for thee . . . all mankind is of one author and is one volume; when one man dies, one chapter is not torn out of the book, but translated into a better language; and every chapter must be so translated . . . "

John Donne, "Meditation 17,
Devotions on Emergent Occasions"

Mrs. Cindy Woosley . . .



Mrs. Woosley is a geometry, algebra II, and calculus teacher at Doss. She has taught at Doss for twelve years. For ten of her years at Doss, she has devoted much time to being the cheerleading sponsor. At times she has sponsored both J.V. and Varsity squads.

Cheerleading at Doss is more than doing cheers at basketball and football games. It is a combination of attending summer cheerleading camp, making posters, for all sports including wrestling and baseball, cheering at pep rallys, attending competitions and decorating locker rooms. Mrs. Woosley, as well as her cheerleaders, dedicate much time and effort toward making Doss a more spirited school.

The cheerleaders cheer at approximately 55 games a year; in addition to this, they cheer at wrestling matches and pep rallys. Mrs. Woosley is always there, too.

Mrs. Woosley has added her own personal touch to cheerleading at Doss. She stresses stiffness and neatness. These could be the reasons for her cheerleaders success. Through the years, Mrs. Woosley's squads have gained many honors and awards. Some of these are as follows; YMCA State Champs (5 yrs.), YMCA Runner-Ups (77-78), State finalist (4 yrs.), 6th Region Champs (3 yrs.), NCA National Champs (75-76), J.V. Tri-State Champs (73-74), 2nd Runner-Ups National High School Comp. (78-79), 3rd Runner-Ups National High School Cheerleading Comp., held in Orlando, Fla., televised (79-80), U of L Comp., 1st place (81-82).

Sports are a big part of school and cheerleaders an important part of both sports and school. Year after year, Mrs. Woosley has done her best and given her time to make Doss Cheerleading the best. The MYTH would like to recognize "Woos" for her contributions. Thanks!!!!

Each of us, whether we were a member of the student body, the faculty, administration, or staff - we were the Dragons of 1982-3. We participated in the "Rise of the Dragon" in areas such as athletics, talent, academics, recreation, activities . . .
